Half Hundred Men Interested in Shooting High Powered Rifles Meet and Elect Three New Officers

Fifty men all keenly interested in the formation of a rifle club in Phoenix met last evening in the Phoenix rifle club. The object of the meeting was to effect the reorganization of the club.

Dr. Bodo called the meeting to order, explained the objects and aims of the club, and called upon Roy Goodrich, treasurer of the organization, to read the by-laws.

Following this several short talks were made by members. The talks stimulated interest, and when Dr. Bodo called for new members to come forward to fill out membership cards and pay the two dollars yearly dues, ten men responded.

The election of officers to fill vacancies existing, resulted in the election of Col. James H. McClintock as vice president, Tom Edens as executive officer and Vic Hanny as secretary.

Edens who has had a world of experience in high power rifle shooting and who has been the executive officer several times before, took the floor and gave the members both old and new a short talk on how to make and hold together a good rifle club.

After the meeting, the members handed in their requisitions for rifles and ammunition to Secretary Vic Hanny, who will forward them to Washington at once.

## TEMPE TO HAVE NEW BALL PARK

After Long Illness Boosters of Tempe to Get Together and See That Tempe Has One of Fastest Teams in Southwest

(Special to The Republican)  
TEMPE, May 15.—After a year's illness the old ball park of the Tempe Bears at West Second street and Ash avenue will be rebuilt this week and Tempe will open the season on the home grounds next Sunday with the outlaws of Phoenix.

The Merchants' land will be out and other plans are being laid that will take Tempe fans back to the days of a few years ago, when this town had one of the valley's fastest nines.

With a substantial grandstand all ready for use and the diamond in fair shape the Bears will have their park well up to date by the end of the week. A force of men will be put to work today, the grounds will be dragged and the diamond laid out anew. No fence will be put up for the present, but the usual grandstand admission will be charged.

Tempe fans gladly welcomed this bit of news today from the lips of Manager Ephraim Carlson, who is already wondering how he is going to accommodate the crowd that is expected.

The Outlaws are a fast bunch and after winning a set of five games straight in as many weeks past, the Bears will have a big fight on their hands to properly dedicate the opening of the home season with a victory.
